# INTER-UNIVERSITY COOPERATION SUPPLEMENTARY AGREEMENT BETWEEN KWANSEI GAKUIN UNIVERSITY (KGU), JAPAN AND LILLE 1 UNIVERSITY OF SCIENCE AND TECHNOLOGY (LILLE 1), FRANCE

## **Double Bachelor's Degree in Economics**

#### Applicable to the corresponding degrees:

- « Licence de Sciences Économiques et de Gestion » Université de Lille1
- Bachelor in Economics: Kwansei Gakuin University

#### Art. 1. Aims

The present partnership agreement has been drawn up to supplement the approved Agreement of Cultural Cooperation signed on March 16th 2005 between the two institutions mentioned above. The main objective of this agreement is to strenghen the collaboration between Kwansei Gakuin University and The University of Lille 1 through the development of a double degree programme in Economics. This programme enables KGU students to complete and obtain two Bachelor degrees at both Kwansei Gakuin University (KGU) and Université Lille 1 (LILLE 1). Insofar as possible and within the next two years at the latest, this double degree agreement will be extended to LILLE1 students. The cooperation agreement will then specify the mobility scheme of Lille 1 students and in particular the number of English taught courses offered at KGU.

This double degree at the bachelor's level is particularly designed to prepare students for a:

- Master's Degree in Economics
- Doctorate Degree in co-supervision
- Successful career in academia and related industries.

#### Art. 2. Duration of the Agreement

The present agreement is entered into for a period of 5 years, to take effect from the date of the signature hereunder.

The agreement may be renewed at the end of this period, subject to specific modifications (programme content, recruitment procedures, etc.) by one or both Institutions, one year before the date of renewal.

The Institutions retain the right to modify or terminate the present agreement by simple mutual consent, subject to the completion of the programme embarked on by the students participating in the double degree programme.

# Art. 3. Management

Each partner shall appoint a local academic coordinator from amongst the academic staff teaching in the programme, who shall be responsible for

- (1) ensuring that the requirements of their home universities are met;
- (2) managing the double degree program efficiently in collaboration with the partner coordinator;
- (3) coordinating the program management (including recruitment procedures, examinations and assessments) with the local administrative representatives (including the offices for international affairs and academic affairs).

The governing board of this double degree program is composed of the 2 program coordinators and the boards of programmes involved in each Institution.

Each institution shall afford the mobility of its staff inherent in developing and maintaining this partnership, although most meetings shall be organized via video-conference if possible.

#### Art. 4. Description of the Programme

#### 4.1 Duration and Level of Involved Diplomas

This agreement pertains to students who will participate in academic exchange or a joint academic programme in the "Licence mention économie et managementgestion" (LILLE 1) and the Bachelor in

Economics (KGU). According to the conditions laid out below, the students will obtain, at the end of the proposed programme and providing that all necessary requirements are completed, a recognised double degree of both "Licence mention économie et managementgestion" (LILLE 1) and Bachelor in Economics (KGU).

Cycle concerned: Bachelor's

"Parcours International" (LILLE 1):

The Licence programme at University of Lille 1 lead to level 6 of the 'European Qualifications Framework' (EQF) as defined in the Official Journal of the European Union published on 06.05.2008 (2008/C 111/01). They are composed of 6 semesters according to the Bologna Process. Based on the ECTS key feature that 60 credits are allocated to the workload of a full-time academic year, 30 ECTS credits are allocated to a semester and 180 credits to the full Licence degree.

"Bachelor in Economics" (KGU):

The Bachelor in Economics at KGU is composed of 8 semesters. Students are required to obtain 124 KGU credits in order to graduate.

#### 4.2 Admission Procedure and Criteria

The students will be recruited jointly by LILLE 1 and KGU.

Within each institution selection criteria will be in place to ensure that the capacities and potential of each candidate will enable them to make due progress and succeed within an international university context.

Each student must submit an application portfolio including:

- An application form
- Details of his/her academic background
- His/her academic results
- A Curriculum Vitae
- A letter of motivation
- A certificate confirming the applicant's level in English

#### Selection procedure

In the first year of implementation, eEligible candidates will be screened and selected by KGU and nominated to LILLE 1, without the need for interview by LILLE 1. However, in subsequent years. aAn interview process by both institutions may be implemented if both sides agree.

Following LILLE 1's decision, a letter of acceptance will be sent to the successful candidate.

A notification of selection results should be made in accordance with the application procedures of each Institution. The selected students will then be personally contacted by the coordinator of the expected host Institution.

#### Number

From the year 2015/2016, the maximum number of students enrolled in the program will be **5.** This number may be revised each year at the request of one or both of the partner Institutions. If it is not revised, the number will remain as stated in the present agreement.

#### 4.3 Registration and enrolment fees

Students must pay all relevant fees to their home Institution only. Students enrolled in Lille must demonstrate access to social security and health insurance.

#### 4.4 French Preparatory Language Courses

KGU students are to enrol in French and English language courses prior to their studies in LILLE 1. LILLE 1 agrees to arrange French language courses for KGU students for the period of enrolment in LILLE 1.

#### 4.5 Objectives and Expected Results of the Academic Training

The agreed Bachelor's Programme should result in the knowledge, skill and competence required for a qualified professional career in an international, diversified labor market or a Master's or PhD education.

#### 4.6 Structure of the Programme and Mobility Schedule

The Bachelor degrees of KGU are completed in 4 years.

The Bachelor degrees of LILLE 1 are completed in 3 years and are taught in French and English. KGU students are expected to validate 40 ECTS credits during the two semesters of the Bachelor at Lille University.

The Mobility Scheme is outlined as follows:

<sup>\*</sup> A Bachelor degree in LILLE 1 comprises of 6 semesters, and a Bachelor degree in KGU comprises of 8 semesters. The students of KGU typically study 3 semesters at KGU and selection for the double degree program is made in year 1. During the first 3 semesters at KGU, potential candidates choose French as a foreign language. During the KGU student's mobility abroad at LILLE 1, he/she would study 2 semesters of courses taught in English. Students of KGU are expected to complete 180 ECTS of courses at LILLE 1 by the end of Year 4 Spring semester, and 124 KGU credits by the end of Year 4 Fall semester, to obtain both degrees. Refer to Appendix for the model mobility scheme.

The Mobility Schedule is as follows

- September of preceding year: Pre-selection at KGU

- April KGU nominates candidate(s) to LILLE 1 and transfers full

application details to the LILLE 1 International Office

Early June: LILLE 1 sends the admission notice
 September-June of succeeding year: KGU students study at LILLE 1
 September succeeding year
 Return to studies at KGU

- By end of Year 4 Spring: Courses equivalent to 180 ECTS obtained and transcripts sent to

LILLE 1 by August.

- By end of Year 4 Fall: Courses equivalent to 124 KGU credits obtained

January of graduating year: Bachelor's at LILLE 1 awarded
 March of graduating year: Bachelor's at KGU awarded

#### 4.7 Evaluations and Assessments

The students must comply with the programme and examination regulations in force at the partner

Institution at which they are studying.

Examination includes written examinations complemented by seminar presentations/discussions, project work, laboratory and/or field reports. Details for each course (content, ECTS allocated and examination procedures) will be made available to each candidate by both Institutions at the beginning of the program. All examinations will take place at the Institution where the units are taught.

Each partner undertakes to keep appropriate records of the students attending the programme at their Institution and to provide all students and partners the certification of the students' academic progress.

Each partner will report to the coordinators on the progress of the students, the number of credits obtained and the marks through the transcript of records released in English before established local deadlines, so as to ensure student achievements would be validated on time at the home Institution.

A grading scale and table of both institutions is provided in the Appendix to ensure fair transfer and recognition of grades of enrolled students.

Course list and syllabi of Economics courses at KGU to be transferred to LILLE 1 will be provided to LILLE 1 prior to the academic year involved.

Course list and syllabi of English courses in Economics at LILLE 1 to be transferred to KGU will be provided to KGU prior to the student's mobility to LILLE 1.

#### 4.8 Degree Awarding Committee

The awarding of each of the two degrees will be decided respectively by the appropriate committee in each of the two institutions.

#### Art.5. Student's rights and responsibilities

#### 5.1. General Outline

The students' rights and responsibilities are the same as those valid for each degree student at the Institution where the student is studying at the time. The student must comply with the demands of the Institution in question with regard to the documentation required for registration procedures and eventual visa purposes.

Institutions will provide, through the coordinators, appropriate information to students about the academic requirements, the services for the mobility, the administrative requirements and the financial regulations the mobility implies.

#### 5.2. Services

Students participating in the mobility programme shall benefit from all services offered by the host University. The services should be the same as those given to regular students at the respective Institutions. In addition to the regular services offered by each Institution, each partner undertakes to provide ad hoc services to non EU students including: support for obtaining Visas and residence permits; support for the search for accommodation, local language courses, special integration activities etc.

#### 5.3. Accommodation

It is agreed that each Institution will help the students from the partner Institution to find accommodation, within the limits of local availability.

#### 5.4. Insurance

The member Institutions undertake to cover each student admitted to the study programme with insurance coverage for any accidents incurred within the university buildings and third party liability for damage which they may involuntarily cause to a person or their properties.

Students are required to obtain the appropriate health insurance if so required. Each Institution undertakes to provide appropriate information to students for their registration in the national health system or for the provision of other kinds of health insurance which may be required either before their arrival or once they have registered at the host Institution.

#### 5.5 Prevention and Security

The parties shall provide each mobility programme participant with detailed information about the specific risks existing in the work environment in which they will operate and carry out their functions, provide the necessary documentation about the prevention and emergency security measures and provisions in force in relation to their activities, and about the individuals/subjects in charge of this, in conformity with the legislative norms and regulations in force in the country of the host University.

#### Art. 6 Promotion of the Programme

The promotion of the programme is the responsibility of both Institutions. Each member Institution agrees to the use of its name and logo for the purposes of promotional material, programme literature and other documentation of the programme. The strategy for promoting the programme will be discussed annually by the Board and coordinators and shall include at least a webpage linked to the websites of the Institutions dedicated to the programme.

### Art. 7 Validity and Disputes

- > Changes and amendments to this agreement, at the time of renewal or while the agreement is in effect, must be in writing and approved by all cooperating universities.
- Any dispute that cannot be solved amicably among the cooperating universities will be resolved within the national legal framework of the coordinating institutions.
- Any cooperating university may withdraw from this agreement, giving six months' written notice to the other institutions. However, students who have commenced their studies at any of the cooperating university at the date of termination are entitled to complete their courses of study and the programme at all institutions.
- ➤ If both cooperating institutions should agree to terminate the double degree programme, both cooperating institutions are obliged to make arrangements for all students who have been selected to this programme to complete their study programme in a satisfactory way.
